

THE CREDENTIAL TRACKER APP | PIP/STSP TEACHER CANDIDATE

A Support Tool for PIP/STSP Teachers' Pathway to Intern and Preliminary Credentials

WHO:

PIP/STSP teachers on the pathway to intern and preliminary credentialing

WHAT:

Use the Credential Tracker app, and you will receive a flood of resources and support on your intern and preliminary credential pathway

WHY:

The Credential Tracker app keeps you, your district and a statewide new teacher network linked to guiding you every step of the way

- Share your success with district and credential program mentors
- Receive guidance every step of the way
- Learn about resources of support designed especially for you
- This App will auto-create your own EDJOIN account
- Connect quickly to credential programs, job fairs and other teacher related activities

HOW IT WORKS:

STEP 1:

CONNECT

You must be signed up as a Candidate User with the California Center on Teaching Careers. Visit CaliforniaTeach.org to sign up as a teacher candidate

STEP 2:

DOWNLOAD

Download the Credential Tracker app. Now available at the App Store and Google Play

STEP 3:

BUILD PROFILE

Build your User Profile - Enter information related to your credential goals within the Credential Tracker app – on your device

STEP 4:

SHARE

In one easy step decide who you will share your progress with

Educate For Today And Tomorrow With The California Center On Teaching Careers
